

# Fairfield City's Cabramatta

## Cabramatta – not just a place to visit but a place to Discover

Cabramatta is Sydney's best kept gourmet secret, where you can buy all the exotic ingredients needed for authentic Asian cooking. Wandering through Asian supermarkets shopping for food becomes an adventure rather than a chore. Discover an exotic new world of pastes and purees, noodles and herbs, grass jelly and instant natural jellyfish – irresistible to anyone with a taste for adventure!

Visit the colourful Pailau Gate or some of the ten fabric shops offering one of the widest ranges of fabrics to be found in one location. Watch herbalists preparing their potions and see durian and pennywort drinks, rambutan and jackfruit, chicken beaks and feet and ducks roasting in shop windows.
