Official message of welcome from the Premier of New South Wales

I would like to warmly welcome you to Sydney.

Sydney is a city to enjoy all year round, with an enviable outdoors lifestyle and a wonderful harbour that everyone can enjoy. It is a fantastic holiday destination and is consistently voted the number one city in the world for travellers.

Sydney has some of the best beaches and national parks in the world, along with theatres, cafes, restaurants, bars and nightclubs all over town. Sydney's visitor delights go beyond the famous tourism icons of the Sydney Opera House and Sydney Harbour Bridge - and this is where the Discover Greater Sydney guide is so valuable.

It will help you to see below the surface of Sydney, to tap into the Sydney lifestyle and mix with the locals. The guide showcases the City's multicultural and culinary precincts such as Leichhardt, Glebe, Newtown, Parramatta and Cabramatta. I encourage you to enjoy Sydney's many regions: the beaches of the Cronulla Coast and Manly; the rustic charm of the Macarthur and the historic buildings of Parramatta.

You are very likely to find you need much more time to explore the real Sydney. I trust that you will have a wonderful time exploring the Greater Sydney area and look forward to seeing you again for a return visit.

We all love Sydney's international landmarks... the Harbour, its Bridge and the Opera House.

But there is much more to discover in Greater Sydney... from Pittwater to Picton and Bondi Beach to the Blue Mountains.

So come with us, use our local knowledge and enjoy the Sydney that Sydneysiders usually save for themselves when they 'holiday at home'.

The features in Discover Greater Sydney cover the whole of the Greater Sydney metropolitan area.

We hope you enjoy your stay.
