

Getting around

Getting around

Finding the best way around Greater Sydney can be a daunting task. So we will try to make it easy for you.

PUBLIC TRANSPORT

We recommend Sydney's excellent public transport system, the most convenient way for visitors to get around. Value Travel and Tours: CityRail, Sydney Ferries and Sydney Buses all have special discount off peak, multi-day passes and combined travel and attractions tickets.

PUBLIC TRANSPORT INFO LINE Tel: 131 500
For all bus, train and ferry information, timetables, tickets and fares, network maps, trip planning, disability access, service interruptions and travel to special events: www.131500.com.au
For NSW and Interstate rail travel

SELF DRIVE

The following pages have maps of Greater Sydney and CBD to help you find your way around.

Just "follow the numbers" Sydney Metro road System. These signs will guide you along the easiest routes through and around Greater Sydney. Wherever possible stay on the Motorways and main arterial roads, all of which have numbered blue hexagonal signs. Many Motorways have a toll. To determine what toll roads go where and the relevant page, we strongly recommend that you telephone the Roads and Traffic Authority on 131 865 www.sydneymotorways.com and click on 'Motorways and Tolling' Explore Greater Sydney's Tourist Drives. Look for the numbered brown shields. Throughout this Guide we have prepared a series of "Discover Sydney Drives" which will help you to discover much of Greater Sydney.
